

-Using your notebook, write a five paragraph essay that addresses India's geography, Mohenjo-Daro, Hinduism, Buddhism and Maurya Leadership (the 5 main stations).

-This needs to be like an essay you would write for a communication arts class. Paragraphs need to have introductions, supporting details and conclusions. The essay needs to have an introduction paragraph, at least 3 body paragraphs and a conclusion paragraph.

-Take your time, and do your best. Good essays will receive prizes, and I would like to use some of your papers as models.
